## RENTHAL RE-SIGNS WITH YAMAHA RED BULL BLACKFOOT FOX RACING

Renthal is pleased to extend their relationship with the Yamaha Red Bull Blackfoot Fox racing team for the 2010 racing season. The Blackfoot racing team has won more CMRC Canadian motocross championships than any other team and has done it with Renthal products for more than a decade.

"The Blackfoot racing team has been a mainstay on the Canadian circuit for 10 years now and every year they are able to find the most talented riders and put together the right support staff to get it done," stated Brad Cameron, Brand Manager for Renthal. "It's for this reason that we are proud to be a sponsor of the team, because getting it done means winning championships, and that's what we're all about."

Dean Thompson, Team Manager for the Yamaha Red Bull Blackfoot Fox team said, "We are excited to be entering the 2010 season with our 2-time defending Canadian Motocross Champion Colton Facciotti and runner up Dusty Klatt in the MX2 series. This would not be possible without the continued support of quality sponsors such as Renthal." He went on to say, "Renthal handlebars and sprockets have been our number one choice for our bikes, which have produced 9 National Championship and we would never settle for anything less!"

For the 2010 season, the team, consisting of Colton Facciotti, Dusty Klatt, Tyler Medaglia and Kyle Beaton will use Renthal handlebars, grips and chainwheels.
